Portfolio: playerendgame.github.io/web_portfolio_v2 | GitHub: github.com/playerendgame

SUMMARY

Full Stack Developer with 2 years building production web systems in Laravel and Vue.js, backed by 4 years of professional experience in graphic design. Currently the sole in house developer at GoPrime Technology and GoSolar Philippines, where I own two CRM platforms, an internal ERP system, and the full ecommerce portfolio across the company brands. Awarded Best in Coding at KodeGo PH. Open to remote roles, Philippine time zone (GMT+8).

EDUCATION

Lyceum of Alabang

Bachelor of Science in Information Technology

Muntinlupa City, Philippines

June 2014 to March 31, 2018

- Graduated from the four year degree program, including a 486 hour supervised industry practicum.

KodeGo PH

Full Stack Web Development Program

Philippines

2023 to 2024

- Awarded Best in Coding for technical performance across the program cohort.

PROFESSIONAL EXPERIENCE

GoPrime Technology Corp. / GoSolar Philippines

I.T. Developer, Full Stack Developer

Philippines

May 2024 to Present

- Built the **Bluetti Philippines CRM**, a customer and order tracking system with reporting dashboards covering the full retail sales cycle from inquiry through fulfillment.
- Built the **GoSolar CNI CRM** for commercial and industrial clients, tracking customer accounts, sales leads, and project pipelines through live dashboards used by management.
- Architected and shipped a multitenant **ERP platform** in Laravel and Vue.js, now used company wide across Warehouse (MPRF), Accounting (RFP), and I.T. Helpdesk modules, replacing manual paper based request workflows.
- Launched three ecommerce storefronts: Bluetti Philippines on Shopify with custom Liquid, plus Anker Solix and Skyworth Energy on WordPress and WooCommerce.
- Own frontend development for the entire company brand portfolio, delivering mobile responsive, speed optimized sites in hand coded HTML5, CSS3, and JavaScript.
- Mentor and supervise annual cohorts of I.T. interns on Git workflow, Laravel fundamentals, and frontend best practices.

EasyPC Computing Inc.

Graphic Designer

Philippines

July 2021 to July 2023

- Produced campaign creative and reusable design templates for Facebook, Instagram, and the corporate website, supporting a continuous retail promotions calendar.
- Designed product thumbnails, store banners, and promotional graphics for Lazada and Shopee listings across the PC hardware catalog.
- Handled post production for product photography, including advanced color correction, retouching, and background cleanup to a consistent catalog standard.

Great Depot Inc.

Philippines

Specialist, I.T. and Creative Services

June 2020 to April 2021

- Served as creative lead and sole I.T. administrator for the head office and all retail branches.
- Deployed in house servers and configured pfSense VPN firewalls, establishing secure tunneling between the head office and branch locations.
- Produced all company branding output, including social media graphics, print collateral, and 3D architectural mockups in SketchUp.
- Maintained retail POS hardware and software and administered network domain management across sites.

Omniworx Inc.

Philippines

BMS Operator

October 2019 to June 2020

- Monitored and controlled heavy industrial machinery through Building Management Systems to maintain operational safety and efficiency.
- Managed LAN and WAN configuration and remote CCTV monitoring across retail environments.
- Supported the marketing team with graphic design and social media asset production.

Designer Blooms

Philippines

I.T. Staff and Graphic Artist

December 2018 to May 2019

- Maintained store systems and point of sale hardware across retail operations, handling troubleshooting and routine upkeep.
- Produced in house graphics for retail displays and online promotional campaigns.

Suntrust Properties Inc.

Philippines

Property Specialist

January 2018 to November 2018

- Took on the role while completing the final semester of the BSIT program, then continued full time after graduation.
- Handled client presentations and property documentation for residential accounts from initial inquiry through closing.
- Managed after sales follow through, coordinating buyer requirements and turnover schedules.

Ink N Print

Festival Mall, Alabang, Muntinlupa City

Graphic Artist, On the Job Training

November 2017 to February 2018

- Completed 486 hours of BSIT practicum producing print ready layouts for calling cards, tarpaulins, flyers, and signage.
- Handled walk in client jobs from initial brief and layout draft through revision rounds to press ready output under same day production deadlines.
